

Voice of Marians 2025

July Edition

Sowing seeds of strength, Reaping a Drug free future

On 26th June our school observed Day Against Drug Abuse with a series of impactful events. The ceremony began with a welcome address, followed by a presidential address emphasizing the importance of staying away from substance abuse.

Ms. Neslin, Women Civil Excise Officer, Mamala Excise Range, delivered a thought-provoking speech on the dangers of drug abuse and its consequences. Her words of wisdom inspired students to make informed choices.

The guest broke the needle of a giant syringe, symbolizing the fight against substance abuse. This was followed by a skit highlighting the devastating effects of drug abuse. Classes 6 and 7 also performed a flash mob, spreading awareness and promoting a healthy lifestyle.

Together, we can be the change we wish to see. At St. Mary's Public School, Thamarachal, our commitment to shaping responsible and resilient individuals continues through such awareness programs.

"Beyond the Classroom: Our Mock Hospital Journey"

On July 1st, our school took a significant step in providing holistic education by setting up a mock hospital within the school premises. The event, inaugurated by Dr. Saji Subramanian, Senior Consultant Interventional Cardiologist at Samaritan Hospital, Pazhanganad, was a resounding success. Our students and teachers worked together to create a realistic hospital setting, with students dressing up as doctors and staff from various departments, including paediatrics, gynaecology, orthopaedics, ENT, dialysis, nursing station, casualty, and reception. Marian Mock Hospital was also equipped with 24-hour Ambulance Service.

The mock hospital setup allowed students to explore different roles and responsibilities within a hospital setting. Our school's board members, including Manager Mr. Jacob C. Mathew, Vice President Mr. Thambi K Paul, and General Secretary Mr. P. M. Sreeba, were present to witness the inauguration. Our Principal, Ms. Rakhi Vijayan, Vice Principal Mr. Joseph P A, H.M, Ms. Meera Das, and Coordinator Ms. Leeba played a significant role in organizing the event. The collective effort put forth by the students and teachers was truly commendable, showcasing our school's commitment to providing practical learning experiences.

"Earth's Whispers A call to Go Green"

On July 3, St. Mary's Public School came alive with eco-conscious energy as the Eco Club led a powerful celebration of International Plastic Free Day. The day was dedicated to understanding the damaging effects of plastic bags on our planet and inspiring everyone to embrace greener choices for a healthier Earth.

Students participated in a thought-provoking assembly, highlighting the importance of reducing plastic waste and adopting eco-friendly habits. They showcased their creativity by designing informative bulletin boards, emphasizing the need to go plastic-free.

Students learned to make paper bags, a simple yet effective alternative to plastic bags. Sustainable alternatives like paper bags, canvas bags, and jute bags can significantly reduce plastic waste. Individual actions, such as carrying reusable bags and avoiding single-use plastics, can contribute to a larger positive impact.

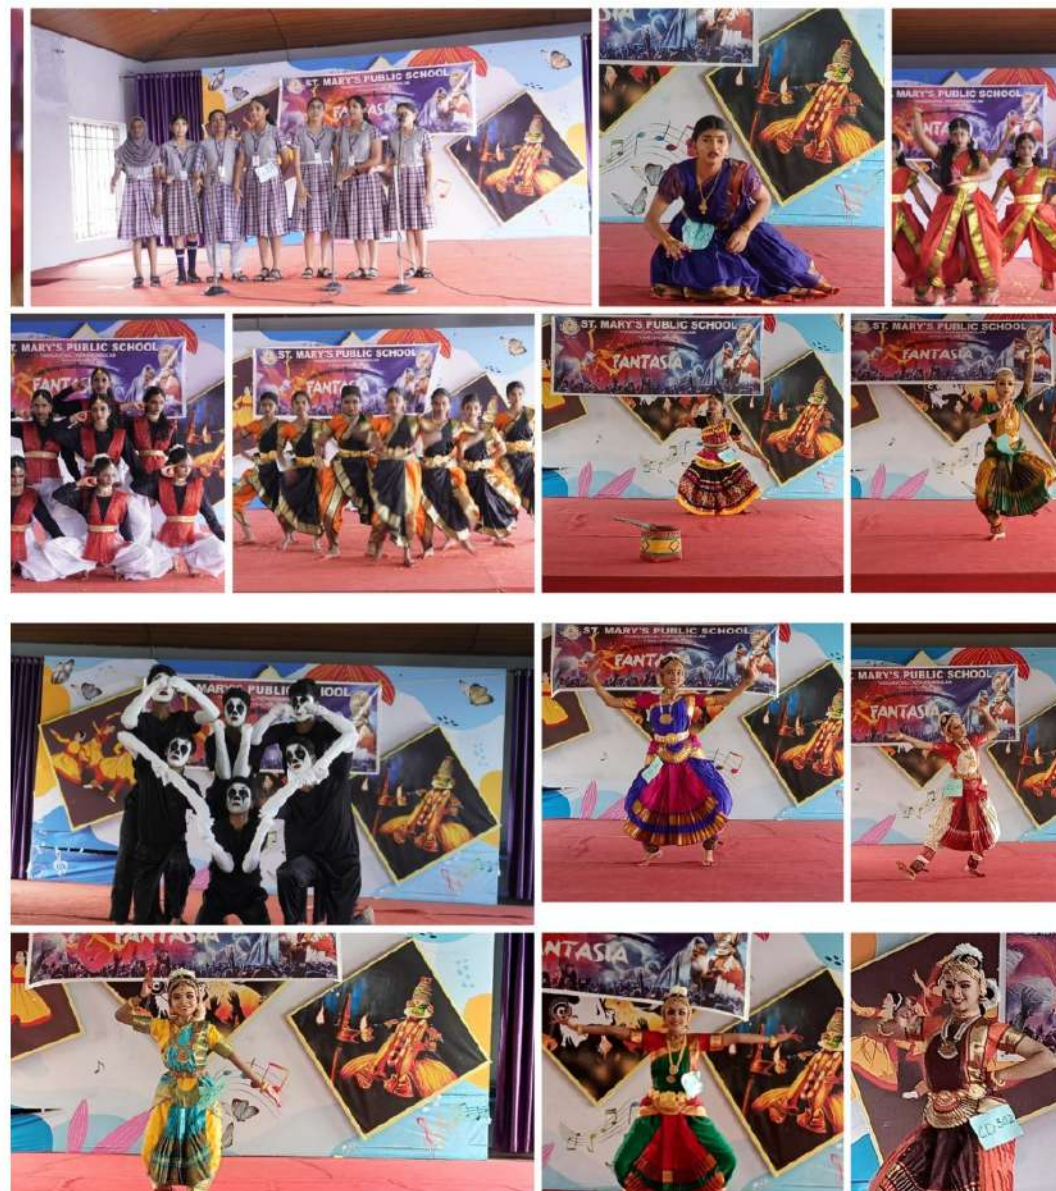

Canvas of Dreams - Fantasia 2025

St. Mary's Public School, Thamarachal, recently hosted Fantasia, a vibrant art festival that showcased the talents of our students. Held on July 4 and 5, the event was a celebration of creativity and self-expression.

The stage came alive with dance performances, music recitals, and drama performances. Students mesmerized the audience with their energetic and synchronized dance routines, showcasing their skills in various styles. Talented musicians took center stage, filling the air with melodious sounds that left everyone spellbound. Captivating plays and skits brought stories to life, highlighting the students' acting prowess and creativity.

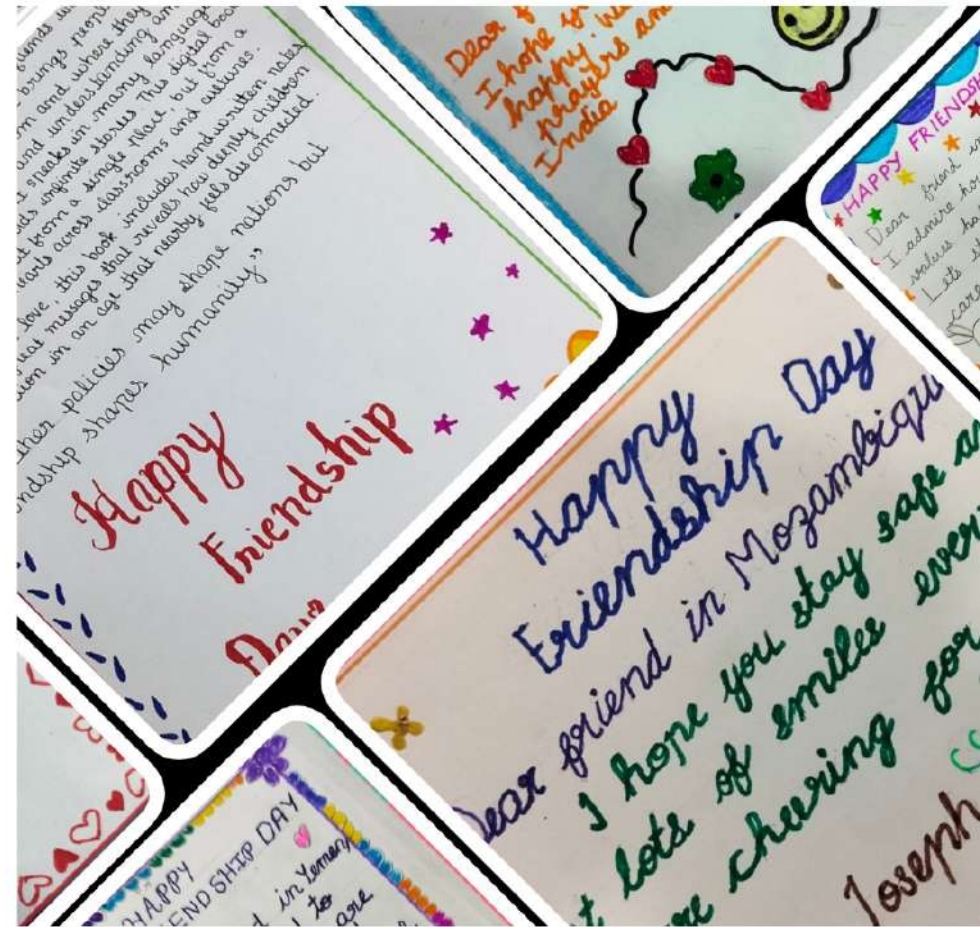

Off stage, vibrant artwork, ranging from paintings to sculptures, was displayed, reflecting the students' imagination and skill. Students showcased their creativity through intricate crafts, demonstrating attention to detail and innovation. Writing competitions, quizzes, and debates were also held, showcasing the students' linguistic skills and knowledge.

Celebration International Friendship Day

"Global Hugs Through Letters"

Our school celebrated International Friendship Day on August 3, with a special initiative called "Global Hugs Through Letters." Students wrote heartfelt letters and created a booklet of friendship and empathy to children across the world, fostering a sense of global connection and understanding. This booklet includes handwritten notes, reflections and great messages that reveal how deeply children value connection in a world that nearby feels disconnected.

The art of expression - English fest 2025

The much-awaited English Fest 2025 held on 2nd August was a vibrant celebration of language, creativity and expression. Various competitions were held, providing a platform for students to exhibit their skills.

"Words have a power beyond their meaning." Students brought to life captivating stories and themes through impressive acting and stage presence in the English Skit competition. The Word War quiz tested their knowledge and quick thinking, with participants answering questions with confidence and accuracy.

In Echoes and Ink, students' creative writing skills shone like stars in the night sky, crafting engaging stories and poems that touched hearts. Western Solo showcased talented singers and performers, mesmerizing the audience with soulful renditions that echoed with passion. Students displayed confidence and charisma as hosts in the Anchoring competition, keeping the audience engaged and entertained. Creative Advertising participants showed innovative marketing skills, creating catchy ads and slogans that left a lasting impression.

The News Nexus competition demonstrated students' ability to think critically and present news in an engaging manner. Stand-up Comedy brought laughter and joy to the audience with witty humour and comedic timing, proving that laughter is indeed the best medicine.
